In implementation of sections 11,12,13,17 article 1 of the Ministry of Health Mission Definition Law and note 5 related to article13 and note 2 related to article 14 the law related to Medical, Pharmaceutical and Foodstuff Affairs Regulations, as well as implementing of article 17 of medical equipment by-law and considering to the surveys done :

The Production Unit : **Farafan Engineering Co.**

With ID No. : **1895**

Factory Address **No.8, E.Arghavan St., Darya Blvd., Saadatabad, Tehran-Iran**

Is authorized to proceed with its production in accordance with the regulations of the respective ministry and the rules in force in the country.

Medical Device Specifications :

Product's Name : **Neuro Navigation System**

UMDNS Code : **18053**

Specifications / Type : **NS881**

Intended Use : **Navigation in Neuro Surgeries**

Device Category : ☐ Laboratory ☐ Dentistry ☑ Medical

Specialized Group : **Neurology**

Risk Class :

Iran	A	B	C	D
Eu	I	II_a	II_b	III
		✓		

Production Method :

☐ 1-SKD ☐ 2- CKD
☐ 3-OBL ☐ 4- Under License
☑ 5-Independent

Other instances : **Extension of the Certification No. k/7/92930 Dated 23/02/2010**

So the local use and the exportation of the above-mentioned device, regarding its intended use and observing the conditions mentioned in this permit , will be permitted.

This certificate is valid up to

14/03/2012
